### DECISION OF THE JURY

Taking the bad weather forecast for Thursday, Friday and Saturday in consideration, the jury has decided to play three double-rounds with a mass start on Wednesday, in order to play as many round as possible in acceptable weather. This also means two round are added to the team competition schedule in the unlikely case that we are able to continue without cutting rounds on Thursday.

Decision of the tournament jury - 2nd August afternoon

1) The jury has decided to cancel its earlier decision to add two more rounds to the team competition schedule, because the jury was not entitled to make such change. The decision

was taken under time pressure, later it turned out that both tournament invitation and WMF Regulations for World and Continental Championships only allow the jury to reduce the number of rounds.

2) The jury has also decided to play the two intermediate rounds of individual strokeplay competition (normally scheduled for Friday morning) on Thursday afternoon after the end of team competition, if the weather allows it. The reason is again bad weather forecast for coming days.

The jury has decided to play one intermediate round on miniaturegolf on Thursday after the end of team competition, with first group of girls starting at 13:30, boys starting after girls.

=====

The jury has decided to revert the order of courses played in the final rounds individual strokeplay championships, i e. the game will start on concrete and finish on miniaturegolf.

The reason is to finish the strokeplay championship on the miniaturegolf course, which is protected by tents, as the weather forecasts suggests the weather will gradually get worse in the afternoon again.
